MEMORANDUM FOR: Director of Central Intelligence

FROM : Sayre Stevens
Deputy Director for Intelligence

SUBJECT : Questions which Arose during Your Discussion
with Secretary Califano on 28 June 1977

1. Action Requested: None; for your information only.

2. We have supplied [redacted] with several items for his meeting with Secretary Califano's Executive Assistant today. Our Office of Scientific Intelligence (OSI) does not, nor does any other Agency component to our knowledge, maintain information files on international health organizations and US-USSR health exchange programs.

25X1

3. The US/USSR agreement for cooperation in medical science and public health, and artificial heart research and development involves joint projects in cardiovascular diseases, artificial heart, malignant neoplasia, chemotherapy of tumors, environmental health, arthritis, and organic basis of schizophrenia. This agreement will be up for renewal during 1977. We believe this to be a genuine agreement.
